

New York State Golf Association

Annual Scholarship Award Application

Annual Scholarship Application must be postmarked no later than April 15th

Dear Applicant:

Each year, the New York State Golf Association awards a limited number of academic scholarships. You qualify as an applicant if you are a full-time matriculated student accepted by a two- or four-year college/university in a specific academic major such as Agronomy, Turf Grass Management, Professional Golf & Country Club Management or a related program. You also must be a resident of New York State.

You must include a letter from the college/university in which you are enrolled indicating that you will be a full-time (12 credits or more) matriculated student. Also, you must ensure that the letter identifies the specific program of study you have been admitted to.

We encourage applicants who meet the above criteria to complete and submit an application for scholarship consideration. Applications must be returned to the address below, postmarked no later than April 15.

Sincerely
NYSGA Scholarship Committee

Be sure to complete all areas of the application that apply to you. Stress any facts you feel may help to enhance your possible selection. Please include any letters of recommendation you may wish us to consider. Keep in mind the scholarship award is designed to help you with your education. However, if you have a full scholarship, you are not eligible for a NYSGA Scholarship. If you have a question about including an item or not, please note that it is far better to give us too much information than not enough.
