The New York State Golf Association would like to express their sincere thanks to all for their generous donations to the Scholarship Fund. These donations to the Scholarship Fund will help the NYSGA continue its strong commitment to New York residents who are matriculated in specific two or four year College/University programs such as Agronomy, Turf Grass Management, Professional Golf and

Country Club Management or related programs. We also support New York State residents who elect to pursue such programs in out-of-state Colleges or Universities.

Additional contributions will help the NYSGA Scholarship Committee as we begin to aggressively solicit additional scholarship funding from clubs, individuals and corporate sources to expand the scope and impact of our scholarship awards.

Scholarship applications for the upcoming year will be available at [www.nysga.org](http://www.nysga.org). Interested applicants should contact the NYSGA Office with any questions regarding the application process.
