

Luke Barney

LeMoyne College, Class of 2023

Major in Chemistry

Impact of NYSGA Scholarship:

“The NYSGA Scholarship has contributed a financial boost that has allowed me to attend and play Golf at my top choice of college. In my first year at Le Moyne College, I have built friendships with teammates that will last my lifetime. From team meetings and workouts, to traveling all across the northeast region, I have never been part of a closer-knit team. Without the help of the NYSGA scholarship, I am not sure if this would still be possible. College and Golf both can be financial burdens, but with the help from the NYSGA scholarship I was able to choose my top college, and be able to play on the Golf team.”
