Major in Accounting

Impact of NYSGA Scholarship:

“This scholarship has impacted me greatly. One stressful part of college is the debt you will incur and the thought of how you are gonna pay it back and thinking if the debt is worth it. This scholarship has helped me not have to worry about this and therefore helps me go about my day at school with a lot less stress and allows me to focus more on my dreams of becoming an Accountant. Having that stress lifted off of me has a huge impact and I believe that is why I can focus more on my school work, being the best version of myself that I can be and ultimately get good grades. Another impact is that I have such a great organization that backs my dreams and believes in what I do. The NYSGA selecting me for this scholarship shows me that my hard work is not going unnoticed and that they are behind my dreams and the work I do everyday. Having this feeling helps me go to school everyday with motivation and that I can achieve what I want to do with their tremendous support behind me! The NYSGA scholarship has impacted me in many ways. The continuous support from the NYSGA will guide me towards my goals and allow me to do what I dream of doing for my adult life after college.”
