

Sean Dadey

The College of Saint Rose, Class of 2022

Major in Finance

Impact of NYSGA Scholarship:

“I am Sean Dadey and I have recently completed my sophomore academic year at The College of St. Rose. I am honored to have received the NYSGA Scholarship to assist in my college tuition. I am a member of the Men’s basketball and have been able to balance my academic and athletic schedule with an overall GPA of a 4.0 this past semester. I am a member of The Huether School of Business Association and have received The Dean's List honor for the past 4 semesters. I also represent the Men’s basketball team as a member of the College of St. Rose/NE-10 Student Advisory Athletic Committee which provides insight on the student-athlete experience. I am Pursuing a dual BS/MBA in Finance/Business Administration. To have the support of The NYSGA and it’s donors make it possible for students like myself, to achieve the academic opportunities toward a successful professional career. Thank you for your continued support. “
